Press Release -----

On August 19, 2009, two separate burglaries were reported to the Raymond Police Department. The first reported burglary occurred on Prescott Road (Route 27 side) and the second burglary occurred in the Colonial Drive area. Stolen were a large screen LCD Television and a firearm.

At this point, it appears that the same individual(s) may have committed both burglaries. We do have information that a male subject was in the area attempting to sell driveway sealant door to door. At this point it is not known if the two are connected. If anyone has any information or may have seen

suspicious or peculiar activity in the area yesterday, please contact the Raymond Police Department @ 895-4747.

As a reminder, please be extra vigilant and report any suspicious activity in your neighborhood as soon as possible. Also, it would be advised that you make an extra effort to keep your vehicles and residences secured and locked.

Raymond Police Department
